SEEKER GROWTH MEASUREMENT

90-DAY — LASTING FRUIT · Complete ~90 days after Session 6

Name: _____ Date: _____ Pastor: _____

How to answer · Rate each statement 0 to 10. 0 = no lasting change · 5 = some continued change · 10 = deep lasting change. Some questions have their own scale beneath them.

Ninety days have passed. The teaching is no longer fresh, the group has dispersed, daily life has resumed. This is the truth-telling timepoint. Low scores are a rail problem, not a people problem.

This is not a test. There are no right answers. Answer honestly — honest answers give Jesus the most to work with.

[EI] Encounter (Foundation F1–F3, comparable across timepoints; PH8 is also [EI] but 90-day-only — score it on its own line, not in the F1–F3 trend). [LG] Likeness Growth (visible fruit). [CA] Community Attachment.
