

Circle Leader's Submission Roster

One sheet per Circle · your PRE + EXIT submission to CHR

Soul Liberation Model · email the completed sheet to Pastor Rio within 3 days of your last Circle session

How to use. Five to eight seekers, one row each. For each domain, copy the seeker's 0–10 average straight off their score sheet — PRE from Session 1, EXIT from Session 6. You don't compute any index; CHR does that. Before any seeker leaves Session 6, name and brief their 90-Day Pastor or Servant Leader and schedule the check-in — record the name, contact, and date here (Departure Gate Rule). Add your final Journey Card comment in the last column. Journey Card procedure: FM Section 4, Chapter 2.
